

PRECISION AG & SPRAYER TECH WORKSHOP

MARCH 29th, 2018 • 10 AM—2 PM • HARRISON COUNTY FAIRGROUNDS, CADIZ

Get your questions answered about GPS guidance systems, the best use your satellite data uses, and sprayer technology, calibration, and applications to get the most from your field. Guest speakers include John Fulton, Precision Agriculture Specialist, and Erdal Ozkan, Agricultural Engineer from the Ohio State University's College of Food, Agriculture, and Environmental Sciences.

There is no cost for this program, but pre-registration is required. Registration deadline is March 23rd. Contact OSU Extension at 740-264-2212 to register.
