OHIO STATE UNIVERSITY EXTENSION

Jefferson & Harrison MASTER GARDENER VOLUNTEERS

TUESDAYS • October 2nd – November 7th • 5:30PM-8:30PM

The Ohio State University Extension offices in Jefferson and Harrison Counties are currently accepting new applications for the Master Gardener Volunteer training program for residents of both counties. Master Gardener Volunteers in Ohio contributed over 180,000 hours of service each year and offer assistance with home horticultural questions, pest identification, school programs, demonstrations, research, and continuing education programs.

Training sessions will begin in October and continue into November. Participants interested in receiving the intensive training will learn about basic botany, plant physiology, soils, entomology, plant pathology, plant diagnostics, integrated pest management, pesticide use and safety, lawn care, home vegetable and fruit production, backyard wildlife management and much more! Working with county Ohio State Extension personnel, Master Gardener Volunteers provide educational services to their communities. If you are a garden enthusiast, this is a great opportunity to share your gardening know-how and skills with others in your community.

Call 740-264-2212 or send an email to lyon.194@osu.edu for more information.

Cost of the program is \$100, part of which includes a Master Gardener Training Manual and a name badge.

Participants can choose to purchase supplemental reference books and materials for an additional \$125.

Deadline for registration is August 30th. Interviews will be held the first week of September.
