Gardening and Plant Science				
670 <i>Canning and Freezing</i>	I	All 7 activities At least 2 learning experiences At least 2 leadership/citizenship activities Project summary and project review	Bring completed project book and 1- pint jar of canned applesauce using the water bath method. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and applesauce display.	Natural Resources Day: completed project book, display, and interview
671 <i>How Does Your Garden Grow?</i>	B	4 activities, plus activity 4a, 4b, or both At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed project book and 1 bloom in appropriate bud vase to judging. Please complete a photo book for display for fair. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and flower display.	Natural Resources Day: completed project book, display, and interview
673 <i>Edible Landscapes</i>	I	All 9 activities and all Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project summary and project review	Bring completed project book and planted container of edible plant to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and container of edible plants.	Natural Resources Day: completed project book, display, and interview

* Project skill level indicates the project’s intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
691 <i>Grow Your Own Vegetables</i>	B	All 11 activities (including growing vegetables) and Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed project book and a display of at least 5 different vegetables from your garden to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and vegetable display.	Natural Resources Day: completed project book, display, and interview
692 <i>Growing with the Seasons</i>	I	All 9 activities (including growing vegetables) and Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed project book and a display of items grown from your garden to judging. Please complete a photo book for display for fair. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and vegetable display.	Natural Resources Day: completed project book, display, and interview
The Natural World				
611 <i>Explore the Outdoors</i>	B	All 9 activities and Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project Review	Bring completed project book and educational display to judging. Educational display needs to include what you learned in this project. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Natural Resources Day: completed project book, display, and interview

* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
612 <i>Geology: Can You Dig It?</i>	B	All 8 activities (including a collection display) and Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project Review	Bring completed project book and educational display to judging. Educational display needs to include what you learned in this project. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Natural Resources Day: completed project book, display, and interview
613 <i>Exploring Polar Science</i>	I	All 8 activities and all Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project summary and project review	Bring completed project book and educational display to judging. Educational display needs to include what you learned in this project. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Natural Resources Day: completed project book, display, and interview
617 <i>Exploring Ponds</i>	A	All 9 activities and Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed project book and educational display to judging. Educational display needs to include what you learned in this project. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Natural Resources Day: completed project book, display, and interview

* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
620 <i>Why Trees Matter</i>	B	All 6 activities At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed project book and educational display to judging. Educational display needs to include what you learned in this project. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Natural Resources Day: completed project book, display, and interview
621 <i>Ohio Birds</i>	X	All 5 interest areas At least 2 learning experiences At least 2 leadership/citizenship activities Observe and record at least 20 different bird species One-page summary <i>(Use the same book 1-2 years.)</i>	Bring completed project book and educational display to judging. Educational display needs to include what you learned in this project. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Natural Resources Day: completed project book, display, and interview
622 <i>Trapping Muskrats in Ohio</i>	I	All 7 activities At least 3 learning experiences At least 3 leadership/citizenship activities 2 of 3 projects for first year; 2 of 3 projects for second year A poster board <i>(Use the same book 1-2 years.)</i>	Bring completed project book and educational display to judging. Educational display needs to include what you learned in this project. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Natural Resources Day: completed project book, display, and interview

* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
623 <i>Outdoor Adventurer: Beginning Fishing</i>	B	All 8 activities, including Talking It Over questions and the Fishing Log At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed project book and educational display to judging. Educational display needs to include what you learned in this project. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Natural Resources Day: completed project book, display, and interview
624 <i>Outdoor Adventurer: Intermediate Fishing</i>	I	All 11 activities, including Talking It Over questions and the Fishing Log At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed project book and educational display to judging. Educational display needs to include what you learned in this project. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Natural Resources Day: completed project book, display, and interview
641 <i>Beekeeping Project and Record Book</i>	X	Set at least 3 project goals and objectives At least 5 learning activities At least 2 learning experiences At least 2 leadership/citizenship activities Colony Care and Management section Beekeeping Record	Bring completed project book and educational display to judging. Educational display needs to include what you learned in this project. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Natural Resources Day: completed project book, display, and interview

* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
644 <i>Insect Adventures 1</i>	B	All 7 activities, including an insect collection (30 specimens) and Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed project book and educational display to judging. Educational display needs to include what you learned in this project. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Natural Resources Day: completed project book, display, and interview
645 <i>Insect Adventures 2</i>	I	All 8 activities, including an insect collection (40 specimens) and Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed project book and educational display to judging. Educational display needs to include what you learned in this project. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Natural Resources Day: completed project book, display, and interview
646 <i>Insect Adventures 3</i>	A	All 7 activities, including an insect collection (50 specimens) and Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed project book and educational display to judging. Educational display needs to include what you learned in this project. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Natural Resources Day: completed project book, display, and interview

* Project skill level indicates the project’s intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older: and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
Shooting Sports				
630 <i>Safe Use of Guns</i>	B	All 11 activities, including Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed project book and tri-fold stand along board (18"x48") on some aspect of what you learned to judging. Science, Technology, Engineering, and Math (STEM)

Aerospace Science				
501 Rockets Away (2-Liter Bottle Rockets)	B	All 3 interest areas At least 2 organized project activities At least 2 leadership/citizenship activities Build and launch a 2-liter bottle rocket Project review	Bring completed book, 2-liter bottle rocket, and photo book with pictures of the launches to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, rocket, and photo book.	STEM Day: completed project book, display, and interview
502 Science Fun with Flight	B, ages 9-14	All 7 interest areas At least 2 learning experiences At least 2 leadership/citizenship activities Build a glider or flyer, or a plastic model airplane or jet Project review	Bring completed book, glider or flyer, and photo book with pictures from the project to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, glider or flyer, and photo book.	STEM Day: completed project book, display, and interview
503 Rockets Away (Solid-Fuel Model Rockets)	B	All 3 interest areas At least 2 organized project activities At least 2 leadership/citizenship activities Build and launch a solid-fuel model rocket from a kit Project review	Bring completed book, solid fuel type rocket, and photo book with pictures of the launches to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, rocket, and photo book.	STEM Day: completed project book, display, and interview
503M Solid-Fuel Rocketry Master	A	One major solid-fuel rocketry project At least 2 learning experiences At least 2 citizenship activities Project records including interview, budget, and photos Judging activity	Bring completed book, solid fuel type rocket, and photo book with pictures of the launches to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, rocket, and photo book.	STEM Day: completed project book, display, and interview

* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
All-Terrain Vehicles (ATV)				
555 ATV Safety	X	Safety pledge All 9 activities Practice pages Practice and riding record At least 2 learning experiences At least 2 leadership/citizenship activities	Bring completed book and educational display to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, bike, and educational display.	No state fair event
Bicycle				
517 Bicycling for Fun, Level I	B	At least 7 activities per year Complete the Bicycling For Fun Achievement Program on second year Complete Project Goals, Before and After, and Project Highlights sections <i>(Use the same book 1-2 years.)</i>	Bring completed book and educational display to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, bike, and educational display.	No state fair event
518 Wheels in Motion, Level 2	I	At least 7 activities per year Complete the Bicycling for Fun Achievement Program on second year Complete Project Goals, Before and After, and Project Highlights sections <i>(Use the same book 1-2 years.)</i>	Bring completed book and educational display to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, bike, and educational display.	No state fair event
Chemistry				
493 Science Fun with Kitchen Chemistry	B	All 11 experiments At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed book and educational display to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	STEM Day: completed project book, display, and interview

* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
Electricity				
527 <i>Magic of Electricity, Level 1</i>	B	At least 7 activities per year (3 main activities and 4 Brain Boosters) At least 2 leadership experiences Planning Guide <i>(Use the same book 1-3 years.)</i>	Bring completed book and educational display to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Engineering Excitement Day: completed project book, display, and interview
528 <i>Investigating Electricity, Level 2</i>	I	At least 7 activities per year (3 Required Activities and 4 Brain Boosters) At least 2 leadership experiences Planning Guide <i>(Use the same book 1-3 years.)</i>	Bring completed book and educational display to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Engineering Excitement Day: completed project book, display, and interview
531 <i>Science Fun with Electricity</i>	B	All interest areas Experiments and journals for each interest area At least 2 project activities At least 2 leadership/citizenship activities Project summary	Bring completed book and educational display to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Engineering Excitement Day: completed project book, display, and interview
Energy				
550 <i>Young Engineers in Solar Energy</i>	I	All 9 activities and all of the Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed book and educational display to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	STEM Day: completed project book, display, and interview

* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
Food Science				
490 <i>Science Fun with Dairy Foods: The Case of the Missing Milk</i>	B	All 6 activities At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed book and educational display to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	STEM Day: completed project book, display, and interview
Knots				
540 <i>Not Just Knots</i>	X	All 17 activities (including a capstone project) and all of the Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed book and educational display to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Engineering Excitement Day: completed project book, display, and interview
Physics				
500 <i>Science Fun with Physics</i>	B	All 12 experiments At least 2 learning experiences At least 2 leadership/citizenship activities Project Review	Bring completed book and educational display to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	STEM Day: completed project book, display, and interview
Robotics				
509 <i>Robotics Essentials</i>	I	All 10 activities (including construction of a LEGO® Spike™ Prime or VEX robot) and Talking It Over questions At least 2 learning experiences At least 2 leadership/citizenship activities Project review	Bring completed project book, robot, test surface, print out, and fair exhibit (tri-fold 18"x48") to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and robot (educational display).	STEM Day

* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
512M Robotics Master	A	One major robotics project At least 2 learning experiences At least 2 citizenship activities Project records including interview, budget, and photos Judging activity	Bring completed project book, robot, test surface, print out, and fair exhibit (tri-fold 18"x48") to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and robot (educational display).	STEM Day
Small Engines and Lawn Care				
541 Crank It Up, Level 1	B	At least 7 activities each year in either main activities sections or Race Ahead sections Planning Guide <i>(Use the same book 1-3 years.)</i>	Bring completed book and educational display to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Engineering Excitement Day: completed project book, display, and interview
542 Warm It Up, Level 2	I	At least 7 activities each year in either main activities sections or Race Ahead sections Planning Guide <i>(Use the same book 1-3 years.)</i>	Bring completed book and educational display to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Engineering Excitement Day: completed project book, display, and interview
543 Tune It Up, Level 3	A	At least 7 activities each year in either main activities sections or Race Ahead sections Planning Guide <i>(Use the same book 1-3 years.)</i>	Bring completed book and educational display to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and educational display.	Engineering Excitement Day: completed project book, display, and interview

* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
Tractor and Machinery Operation				
551 <i>Starting Up: Getting to Know Your Tractor, Level A</i>	B	Complete all activities	Bring completed project book and tri-fold board (18"x48") on one of the safety activities or experiments conducted. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and tri-fold display.	Mechanical Principles - Tractor Day: written exam, and interview,
552 <i>Tractor Operations: Gearing Up for Safety, Level B</i>	I	Complete all activities	Bring completed project book and tri-fold board (18"x48") on one of the safety activities or experiments conducted. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and tri-fold display.	Mechanical Principles - Tractor Day: written exam, and interview
553 <i>Moving Out: Learning About Your Tractor and Farm Machinery, Level C</i>	I	Complete all activities	Bring completed project book and tri-fold board (18"x48") on one of the safety activities or experiments conducted. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and tri-fold display.	Mechanical Principles - Tractor Day: written exam, and interview
554 <i>Learning More: Learning About Agricultural Tractors and Equipment, Level D</i>	A	Complete all activities	Bring completed project book and tri-fold board (18"x48") on one of the safety activities or experiments conducted. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and tri-fold display.	Mechanical Principles - Tractor Day: written exam, and interview

* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
Welding				
573 <i>Arcs and Sparks</i>	I	Recommended number of areas, building skills, and developing knowledge questions for your year At least 2 organized project activities At least 2 leadership/citizenship activities Build at least 2 weldments/or other items in book One-page report	Bring completed project book and at least 2 weldments/ items built using instructions in your project book to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, and welding items.	Engineering—Welding Day: completed project book, and welding project NOTE: All projects must be done using Shielded Metal Arc Welding (SMAW).

* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
Woodworking				
556 <i>Measuring Up, Level 1</i>	B	At least 7 activities per year for up to three years At least 2 leadership experiences Planning Guide <i>(Use the same book 1-3 years.)</i>	Bring completed project book and woodworking item constructed to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, woodworking knowledge, and woodworking exhibit. The member must complete and exhibit one project. The project may be based on plans from the 4-H project book or a project of similar size and scope from any other plan. Allowable Tools: This is strictly a HAND HELD tool project: regardless of age! It can be taken for up to three years, but it remains a "HAND HELD tool project." The "designated adult helper" may dimension lumber to correct width. They may also advise and assist so long as the member does at least 90% of the project work. Any non-power tools may be used. The following power tools may be used only with proper safety instruction and under direct supervision of the "designated helper." - Power hand sanders, oscillating belt sander, power drills, jigsaw, scroll saw	Woodworking Day: completed project book, project made at home, and interview NOTE: See the State Fair Guide Book for list of allowable tools.

* Project skill level indicates the project's intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
557 <i>Making the Cut, Level 2</i>	I	At least 7 activities per year for up to three years At least 4 woodworking leadership experiences Planning Guide <i>(Use the same book 1-3 years.)</i>	Bring completed project book and woodworking item constructed to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, woodworking knowledge, and woodworking exhibit. PROJECT SPECIFIC RULES: Complete and exhibit one constructed project. The project may be based on plans from the 4-H project book or a project of similar size and scope from any other plan. Allowable Tools: All tools in Project 556 Plus the following power tools may be used only with proper safety instruction and under direct supervision of the “designated helper.” Power miter saw, thickness planer, table saw, cordless trim saw, drill press, power nailing devices, power sander, band saw, biscuit joiner, pocket screw joints PLEASE NOTE THAT ROUTER, SHAPER, AND LATHE WORK IS NOT ALLOWED The “designated adult helper” may advise and demonstrate so long as the member does 100% of the project work. Complete and exhibit one constructed project. The project may be based on plans from the 4-H project book or a project of similar size and scope from any other plan.	Woodworking Day: completed project book, project made at home, and interview NOTE: See the State Fair Guide Book for list of allowable tools.

* Project skill level indicates the project’s intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
558 <i>Nailing It Together, Level 3</i>	A	At least 7 activities per year for up to three years At least 4 woodworking leadership experiences Planning Guide <i>(Use the same book 1-3 years.)</i>	Bring completed project book and woodworking item constructed to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, woodworking knowledge, and woodworking exhibit. Complete and exhibit one constructed project. The project may be based on plans from the 4-H project book or a project of similar size and scope from any other plan. The “designated adult helper” may advise and demonstrate so long as the member does 100% of the project work. The following tools may be used only with proper safety instruction and under direct supervision of the “designated helper” Shaper, radial arm saw, lathe, router/router table, dovetail jig, joiner	Woodworking Day: completed project book, project made at home, and interview NOTE: See the State Fair Guide Book for list of allowable tools.

* Project skill level indicates the project’s intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older; and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
559 <i>Finishing Up, Level 4</i>	A	At least 7 activities per year for up to three years At least 4 woodworking leadership experiences Planning Guide <i>(Use the same book 1-3 years.)</i>	Bring completed project book and woodworking item constructed to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, woodworking knowledge, and woodworking exhibit. Participants should exhibit a project which shows they have learned how to properly use tools in its creation. A member may use all non-power and power tools if they have safety instructions and supervised by a knowledgeable adult. Project should demonstrate the member has increased their knowledge and skills over previous projects.	Woodworking Day: completed project book, project made at home, and interview NOTE: See the State Fair Guide Book for list of allowable tools.
560M <i>Woodworking Master</i>	A	One major woodworking project At least 2 learning experiences At least 2 citizenship activities Project records including interview, budget, and photos Judging activity	Bring completed project book and woodworking item constructed to judging. Project interview: Answer questions about your project experience including general 4-H knowledge, project book knowledge and activities, woodworking knowledge, and woodworking exhibit. Project should show creativity, proper joinery technique, good layout and design. Projects might include: intarsia, carvings, marquetry, lathe work, original designs and antique furniture reproductions.	Woodworking Day: completed project book, project made at home, and interview NOTE: See the State Fair Guide Book for list of allowable tools.

* Project skill level indicates the project’s intended audience. **B** = Beginning level—for members with little or no experience in a project area, or 8 to 10 year olds; **I** = Intermediate level, for members with some experience in a project area, or 11 to 13 year olds; **A** = Advanced level—for experienced members in a project area, or 14 or older: and **X** = All levels—for all skill and age levels. Exceptions to these age guidelines are noted.

Project Number and Name	Skill Level*	Project Completion Requirements See each project book for complete details.	County Requirements	State Fair Requirements See the 4-H State Fair Guidebook for complete details for non-livestock projects.
