### **Eastern Ohio Grazing Council Sponsorship 2018**

The Eastern Ohio Grazing Council was formed in 2010 as a joint venture between Carroll, Columbiana, Harrison, & Jefferson SWCDs and the NRCS (Natural Resources Conservation Service). Since its inception, the Eastern Ohio Grazing Council has inspired farmers in our communities to conserve soil and water through rotational grazing and many other Best Management Practices. Our counties of coverage include but are not limited to: Carroll, Columbiana, Harrison, Jefferson, Stark, and Tuscarawas. With a total of 595 attendees at our meetings in 2017 we have continued to grow and have increased influence in eastern Ohio.

This education, however, comes at a cost. Advertising through the use of bulk mailings, printed materials for educational purposes, portable restrooms, and meals are just a few of the expenses that are incurred to make these programs a success. We cover these costs through the use of sponsorship dollars.

#### **Corporate Sponsors - cost: \$300/year**

- Your logo placed on our flyers and postcards
- Your name included in sponsors on the press release
- Space to set up a display at our Pasture Walks if desired
- Opportunities throughout the year to address our group as a whole to promote goods and services

#### **Producer Sponsors - cost: \$100/year**

- Created for our producers who simply wish to support the Grazing Council
